Presenter Quotes

“You were a smash hit! Our audience was astonished at your individual virtuosity and amazing blend of such diverse instruments.”

**- Marilyn Sanguinet, Artistic Director

“Your concert for Hemet Community Concert Association was just wonderful, and we were very pleased with how well it went. It was a bit risky to start with a program that was, for us, rather unusual but, everyone left happy! We had lots of positive remarks, and the brisk CD sales are a good indication that they liked your music. As you could tell, we had a full house, and we all enjoyed your unique music, as well as your interesting commentary.

I will tell you that I am often suspicious of fusion groups, because they seem to be frequent hiding places for mediocre musicians, which is definitely not the case with QN4! Having heard you before, I knew that your selections and performances would be first-rate, which is what I always seek for HCCA, regardless of genre. So, thank you very much for starting our 44th season in such a brilliant manner!

Best to you all, and thank you again for your beautiful, interesting and entertaining concert!”

**- Diane Mitchell, Artistic Director
Hemet Community Concert Association**
