# **Official Introduction**

**“Beverly Hills International Audition winners Quarteto Nuevo has been widely recognized by audiences, presenters and critics as one of the most exciting and innovative groups in America today. To quote All About Jazz: “Quarteto Nuevo effectively melds the music of ancient worlds and faraway places with a contemporary groove that packs a wallop! Their performances are atmospheric, full of subtle surprises and unlike anything else heard in the jazz world.”**

**Members of the group have performed with a virtual who’s who of the Classical, Latin, Jazz, and Pop world including the Los Angeles Philharmonic, Dave Brubeck, Rush, Sara McLaughlin, and Jay Z, among others.**

**Winners of two South Arts Jazz Road touring grants and a Jazz Road Creative Residency Grant, the group will be premiering movements from their original "Jazz Road Suite" across the United States this season.**

**Please welcome Quarteto Nuevo!"**
